Executive Office of the President
National Security Council
Washington, D. C.

Dear Pat:

Thank you for your letter of 18 February 1955 forwarding your memorandum of the discussion at the dinner with General Doolittle. I find your note an accurate reflection of our discussion and am appreciative of your kind remarks concerning the efforts which are being made to improve the work of the Agency. I believe that the dinner was very useful and am pleased that you, General Doolittle and Messrs. Franke and Johnston could take the time to be with us.

With very best wishes.

Sincerely yours,

Allen D. Dulles
